QUANTUM CORPORATION,

No. C 14-04293 WHA

Plaintiff,

v.

**ORDER DENYING  
SEALING MOTION**

CROSSROADS SYSTEMS, INC.,

Defendant.

16 Crossroads seeks leave to file under seal portions of its brief and certain exhibits in  
17 support of its motion to modify the case management order and for leave to amend its answer,  
18 affirmative defenses and counterclaims, as those documents rely on discussions that occurred  
19 between the parties pursuant to a non-disclosure agreement. Crossroads discussed the sealing  
20 motion with Quantum, but was unclear whether Quantum intended to waive its confidentiality  
21 rights as to the documents included in this motion, so Crossroads filed this sealing motion out of  
22 an abundance of caution. Quantum has filed an opposition to Crossroads' sealing motion  
23 clarifying that it does not assert any confidentiality interest in the materials sought to be sealed.  
24 Accordingly, Crossroads' motion to file under seal is **DENIED**.

25  
26 **IT IS SO ORDERED.**

27  
28 Dated: September 28, 2015.
